Act 2—No changes to plan as of now.
Plan of operations—Fall budget:

CCSD is being audited. For now we are showing a \$300,000 deficit. CCSD is not clear as to how they will proceed as the entire district is in a deficit due to salary increases not being accounted for in Jan when the budget came out. Also funding has decreased. If the budget does not change (we hope it does) then we will cut the 6th special, computers, and also cut the math strategist. We will move some positions to fill library and surplus one teacher. If we do receive \$120,000 then no teacher will be surplus and we will adjust a few positions to fit everyone in.

Motion to approve plan A and B depending on how it goes.

Unanimous approval

VIII. Principal Update:

- A. Mayday dances-- They went really well and glad for all who helped out.**
